OATH BREAKERS TO OATH KEEPERS WEBINAR

**REPENT Sin - RECONCILE Relationship - RECEIVE Forgiveness - RESTORE Trust**

In the beginning, **God created** the earth and all living things on the earth.

**He created humans** to be special; He made us in His image.

**He created law and gave it to people** through His commandments, recorded by His anointed and appointed people.

His natural Order or Law has three distinct purposes:

- 1) To identify sin (wrong doing) and demonstrate our need for Jesus (Romans 7:7-11), because we have and will fall short in our obedience (Romans 3:23).
- 2) To help us make choices and take actions that restrain and rebuff evil, including evil masquerading as an authority (Romans 13: 1-4).
- 3) To guide us in the good works God would have us do for His Kingdom and because of our salvation and desire to follow Jesus, not to earn salvation (Ephesians 2:10).

> **God** the Father, the Son and the Spirit is the Alpha and the Omega; He is **superordinate** to all things.

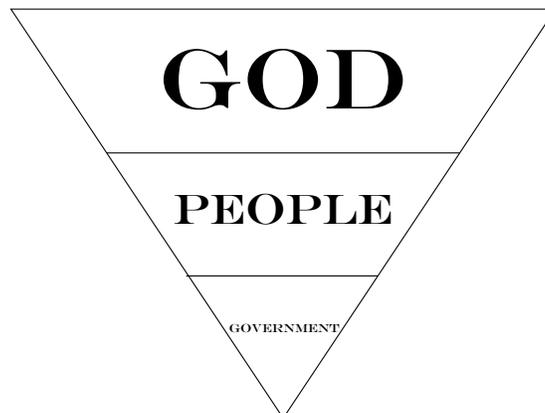

> **People**, and anything we create, are **subordinate to God**—THE Creator.

> **People created the Constitution** of the United States of America, which is firmly grounded in and falls under the authority of God's superordinate Natural Law/Commandments. Therefore, the **Constitution is subordinate to people**.

> The **Constitution** is a people-created contract which **established law**, a means by which to ensure people remained autonomous and retained their God-given individual liberties and God-delegated individual authority (Galatians 5:1). Individual liberty is preserved by justice being served when individuals, because of sin, try to usurp another's individual authority or freedom.

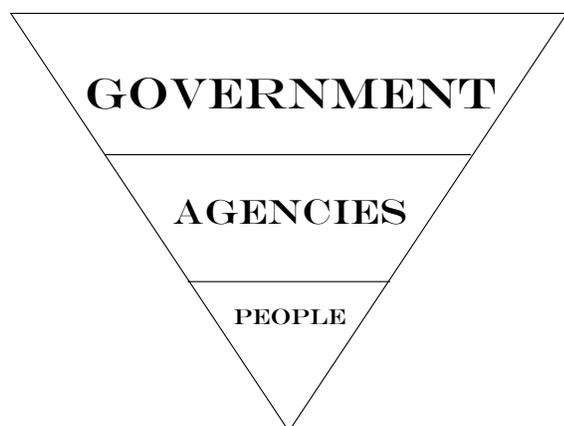

The framework for ensuring liberty and justice for all is our Constitutional Republic. "Democracy" is NOT MENTIONED ONE SINGLE TIME in our Constitution. The Republic is the way in which we protect the rights of the minority, whereas a democracy has proven to result in tyrannical mob rule for centuries.

Our Republic is being attacked by evil, through the hands of willing/complicit humans, attempting to steal individual liberties through coercion, corruption, assault, and deceit. Our Constitution states that all rights not explicitly delegated (for our benefit) to Congress, belong to the individual states, and that all rights not delegated to the states (for our benefit as our representative) are retained by the people.

This is what delegation of authority should look like according the Bible, our Declaration of Independence and the Constitution of the United States of America:

This is what our current tyrannical hierarchy of authority looks like. This structure is outside God's natural law because it oppresses "We the People authority" directly attacking personal freedom as purchased by Christ. Our current power structure is a direct attack on our Constitutional Republic and the antithesis of our Declaration of Independence (from such tyranny).

We have allowed authority to be usurped by agencies (FBI, DOJ, DOD, EPA, Dept of Education, etc). Agency was given/taken, subsequently abused, and must be returned to "We the People" under the order of God's Natural Law.

We are living in lawlessness. Agency's unlawful mandates, orders, coercion through Federal funding, monetary incentives, discrimination and punitive measures for people exercising God-given liberties—protected through the Bill of Rights—must be ended.

Due to complacency, complicity, fear of man rather than God, and selfish ambition (to name only a few), we are guilty of living in lawlessness. It is time to repent our sin, receive redemption, reconcile through atonement, and rebuild relationship through actions which gain trust.

How do we do this?

Step 1)

We first **identify the sin**. Who among us has allowed sin to lead to broken oaths (Matthew 5:33)? We cannot be more afraid of man than God. We must call out sin amongst us. We are all accountability partners. TheOathBreakers.org helps us to do this on a mass scale. Time is precious, the end is near, and we have souls to help save.

Step 2)

We the People **require repentance** from The Oath Breaker **or resignation/removal from authority** by informing our Representatives of our mandate.

Step 3)

We **share the Gospel** with TheOathBreakers through words and actions. If they choose to Believe, Accept, and Follow, then the family of Believers multiplies for the Glory of God. If they use their free will to reject salvation, then we have at least removed a lawless leader from doing the enemy's bidding here on earth.

Step 4)

We **require accountability through continual engagement** by:

- voting "for" the Republic by vetting candidates thoroughly and holding them accountable
- spending money only locally/boycotting large corporations which centralize power (Amazon, Target, Starbucks, etc)
- demanding accountability by requiring, first at the district attorney level, that justice is served for all crimes and assaults on freedom (engage with County Sheriffs and ensure they are fulfilling their roles as the lesser magistrates)
- Decommission/defund rogue, lawless agencies that have usurped the power over decades by demanding action from our elected Representatives
- Educate the next generation on the evil of cultural Marxism, division of people based on anything but character, and the importance of worldly authority existing ONLY under God's superordinate authority and law.

It is time to hold up your Shield of Faith in one hand, the Sword of the Spirit in the other, as you are bound by the Belt of Truth. Together, we must move out on the Feet of Peace, with the Breastplate of Righteousness leading the way, guided by the Helmet of Salvation.

The raging spiritual war of good versus evil manifests itself in the world around us. Everything we see, do, think, is linked to spiritual battles, but God tells us to fear no one or nothing except for Him. His love conquers all, including fear.
